## **Career Objective**

I am all time trying to develop my skills on entrepreneurship related activity. So, I learned many types business system and set up system. I have 2year training experience on Start and Improve your business. I'm related with BAPA and ILO training institutions. Now, I have little pigeons firm and I'm trying to set up firm animals.

## **Personal Experience**

I have a good experience on entrepreneurship. Because I worked on furniture sector one year. I research on multi furniture which was converted in many styles. I also completed a business profile on this business.

I also research on new sticky rice biscuit food which is good for all class people in our country. Those formula gathered from Thailand.

I also worked on Agro fertilizer which is good for our environment and best work on agro crop growth. Now I am working on animals and birds.

I also related with BAPA for food entrepreneur skills development. Other side I completed SIYB two part such as GYB and SYB. Those two parts are very important for any sector entrepreneur skills development.
